

# Meet your **TEACHER**

## **Year 2 Dolphins**

### **What I am looking forward to in September:**

**I am super excited to be joining Miss Hill in Year 2 and getting to experience the fun curriculum topics. I am looking forward to seeing all familiar faces as they progress from Year 1 to 2 and learning lots of new things.**

### **About me:**

**This is my seventh year of teaching and I have worked across both KS1 and KS2. My favourite things to do are reading, travelling and exercise. My favourite colour is blue and love to teach English and science the most.**

## **My favourite things**

Travel

Spending  
time with  
my family
