## **2 Statement / principles**

The policy outlines the commitment of The Good Shepherd Trust and all staff and local governors of each academy within the Trust, to promote equality. This involves tackling the barriers that could lead to unequal outcomes for identified groups of students, staff, parents/carers, local governors and visitors in the academy, ensuring that there is equality of access and celebrating and valuing the legacy and strengths within the academy.

We believe that equality at each academy within our Trust, should filter through all aspects of academy life and is the responsibility of every member of the academy and wider community. Every member of the academy community should feel safe, secure, valued and of equal worth. At St Paul's C of E Primary School, equality is a key principle for treating people with dignity and respect irrespective of their age, disability, gender, ethnicity, religious beliefs/faith, sexual orientation or any other recognised protected characteristic under the Equality Act 2010.

### **2.1 Monitoring and review**

The responsibility for co-ordinating the monitoring and evaluation of this policy is the Headteacher, alongside the local governing committee with the support and guidance from The Good Shepherd Trust. They are responsible for:

- Providing updates on equalities legislation and the Academy's responsibilities in this regard;
- Working closely with the lead governor responsible for equality and diversity
- Supporting positively the evaluation of activities that monitor the impact and success of the policy from different groups, e.g. Special Educational Needs (SEN), Children in Care, Minority Ethnic including traveller and English as an Additional Language (EAL) students and those entitled to the Pupil Premium, in the following recommended areas:
  - Pupils' progress and attainment
  - Teaching and learning
  - Behaviour, discipline and exclusions
  - Attendance
  - Admissions
  - Incidents of prejudice related bullying and all forms of bullying
  - Parental involvement

- 
- Participation in extra-curricular and extended academy activities
  - Staff recruitment and retention
  - Visits and visitors

## **3 Policy commitments/objectives**

### **3.1 Promoting equality: Curriculum**

We aim to provide all our pupils with the opportunity to succeed, and to reach the highest level of personal achievement. To achieve this we will ensure:

- Curriculum planning reflects a commitment to equality;
- The curriculum prepares pupils for life in a diverse society and uses opportunities to reflect the background and experience of pupils and families in the academy;
- There will be opportunities in the curriculum to explore concepts and issues related to identity and equality;
- The promotion of attitudes and values that challenge discriminatory behaviour and language;
- The use of non-stereotyped materials which reflect accurately a range of cultures, identities and lifestyles

### **3.2 Promoting equality: Achievement**

There is a consistently high expectation of all pupils regardless of age, gender, ethnicity, ability, social background and sexual orientation. To secure the best possible outcomes we recognise that:

- Adults in the academy will be expected to provide good, positive role models in their approach to all issues relating to equality of opportunity;
- It is important to identify the particular needs of individuals and groups within the academy and to use targeted interventions to narrow gaps in achievement;
- It is important to place a high priority on the provisions for special educational needs, disability and disadvantage;
- A range of teaching methods to be used throughout the academy to ensure that effective learning takes place at all stages for all pupils and that to promote pupil engagement, pupils are encouraged to be actively involved in their own learning.

### **3.3 Promoting equality: Ethos and culture**

- At St Paul's C of E Primary School, we are aware that those involved in leadership of the academy community are instrumental in demonstrating mutual respect between all members of the academy community;

- 
- There should be a feeling of openness and tolerance which welcomes everyone to the academy;
  - The pupils are encouraged to greet visitors to the academy with respect;
  - The displays around the academy will be of a high quality and reflect diversity across all aspects of equality
  - Reasonable adjustments will be made to ensure access for pupils and visitors (including parents) with disabilities, wherever possible;
  - Provision is made for the cultural, social, moral and spiritual needs of all pupils through the planning of worship, classroom based and off site activities;
  - Pupils are given an effective voice, for example through a School Council and through pupil surveys, which regularly seek their views;
  - Positive role models are used throughout the academy to ensure that different groups of pupils can see themselves reflected in the academy community.

### **3.4 Promoting equality: Staff recruitment and professional development**

- All posts are advertised formally and open to the widest pool of applicants;
- All those involved in recruitment and selection are trained and aware of what they should do to avoid discrimination, linked to safeguarding and safer recruitment practices and ensure good equality practice through the recruitment and selection process;
- Access to opportunities for professional development is monitored on equality grounds;
- All supply staff and contractors are made aware of equalities policy and practice;
- Employment policy and procedures are reviewed regularly to check conformity with legislation and impact.

### **3.5 Promoting equality: Countering and challenging harassment and bullying**

- The academy counters and challenges all types of discriminatory behaviour and this is made clear to staff, pupils, parents and local governors;
- Annually an anti-bullying week will be held in November to inform and challenge discriminatory behaviour throughout the academy.
- The academy has a clear, agreed procedure for dealing with prejudice related bullying incidents and has a nominated member of staff responsible for recording, reporting and monitoring incidents (Headteacher);

- 
- The academy reports to local governors (termly) and The Good Shepherd Trust (annually) the number of prejudice related incidents recorded in the academy.

### **3.6 Promoting equality: Partnerships with parents/carers and the wider community**

St Paul's C of E Primary School aims to work in partnership with parents/carers. We:

- Take action to ensure parents/carers from all backgrounds are encouraged to participate in the full life of the academy;
- Ensure that there are good channels of communication to ensure parents views are captured and acted upon;
- Encourage members of the local community to join in academy activities and celebrations;
- Ensure that parents/carers of newly arrived pupils e.g. EAL, traveller or pupils with disabilities are made to feel welcome.

**In October 2010 the Equality Act came in force and introduced the term 'protected characteristic' to refer to aspects of a person's identity explicitly protected from discrimination. Nine are identified:**

#### **4.4 Measuring the impact of the policy**

The equalities policy and all other relevant policies will be evaluated and monitored for their equality impact on pupils, staff, parents and carers from different groups that make up our academy. As part of the action plan a timeline will be published to enable equality analysis (equality impact assessment) to be undertaken at the appropriate time. The main findings from the equality impact assessments will be published for the academy community and used to make improvements.
